

~Events~

Thank you all for taking the time to join us this evening. I will do my best to keep it short and sweet.

Reminder:

Per our King/Queen there are no official in person activities until 31 July 2020.
The crown will let us know when that changes.

Virtual Events:

Survey was posted and completed.
We had 35 responses, this is very good.

The barony will host the Unser Hafen Wolf Den, a virtual event, every other Sunday from 6:30pm to 8:30pm.
Primarily this will be a social chat time.

Many of the responders indicated they would welcome a class event (A&S as well as Martial related). Could possibly call these sessions Training the Pack. If anyone is interested in teaching a class, then it can replace the social chat for that week. Of course, the barony has some flexibility with dates/times to help accommodate the teaching of a class if need be. The B&B offer the tech/time slot (this does not mean they run the class).

So we need for the officers as well as the general populace (maybe with coaxing from their officer friends) to help us find teachers. Everyone and I mean everyone is welcome to teach a class. A person does not have to have an award in order to teach a class. We all have knowledge/expertise in some area which can be shared with others.

If you are willing or know someone who is willing to be a teacher. Lady Liliana (Kimberly Carman) is the person to contact via the Book of Faces or her email of ladylilianadelledera@gmail.com.

Liliana mentioned grouping "like with like" (example: how to make fabric buttons with how to make a buttonhole) where one teacher does not need to teach the entire class.

Also, responders mentioned willingness to attend feasts/bardics once every 3 months.

Before going through future events, the B&B have something they would like to talk about.

30th anniversary is in October. Suggestion by Baron to have the next event in October, make it an official event to present awards. Would be nice to have an in-person event, but may need to be virtual because of COVID

Games tables, bring your own drink, bring your own food

Would likely be a 50 person max if in person event

Suggestion to do a Newcomers camping event, close to the end of the Spring semester.

Health department is requiring traceability of all attendees if in-person, due to COVID

Awesome news, Lord Iago Martyn (iagomartyn@gmail.com) has agreed to be a deputy to the seneschal.

First, thank you to those who are getting me their reports consistently and on schedule. For everyone else, broken record time, I need to receive reports by the 1st of every month. It may seem like there is no purpose at a time like this to even do reports but it is even more important now. Not to mention, it will get us back into the routine of doing it, so once we have more to report, we have our pattern all set up. Let's be honest, reports right now are extremely easy to write.

Examples:

As simple as= Nothing new to report thanks to COVID-19.

If you want to be more creative= The plague continues its infestation and so personal contact/activities are impeded. Therefore, there is nothing new to report. Our populace continue to encourage and support each other through the mystical ways of virtual communication. Sorcery has its uses.

To help us all get on the same page, I will be sending out reminders each month, ahead of time and more than just a day before. Likewise, I shall be better about letting you know I have received your report.
