Kingdom exchequer overseeing things and blesses it.
Designation for Newcomers donation lunch profit? Earmarked to pay for award medallions.
Leftovers from newcomers scholarship: \$34. Returned to THL Cecelia for future use, since it was private donations.
Thanks to Charlie/Carolyn for stepping up to do gate at the last minute.
Good job!

Quartermaster:

Made a list of everything in storage. Not yet typed up.
Will set up a sign-out sheet.
Please let Earl Mika know about anything not currently at storage location.

Countess Rosalind sorted through leftovers from Not So Honest Nico's and got rid of non-SCA-appropriate stuff. 8-10 tubs left! Currently stored in Earl Mika's shed; caa stay there until someone takes it over. Recommends that whomever runs the tables @newcomers receives it early to prep for selling at the event. There's so much we should consider selling multiple times a year; at e.g. Champions?. Also need to vet donations so we don't accumulate non-SCA-appropriate stuff.
AI: Vigdis: Check if Nico will continue to do this. If not, Mika is willing to take it over.

Q: Has anyone asked Achmed if he'd be willing to come back and do it again? He might be.
AI: Perryn to get Achmed's contact info to Vigdis.

Q: There's so much, is anything suitable for largess, or e.g. as loner feast gear at Yule. Or gift it to newcomers? Needs sorting; sort could happen at figher practice? Goldkey also needs sorting, maybe.

Knight Marshall:
Absent

Rapier Marshall:
Practice going well. 4 minor injuries at newcomers!

Equestrian: Absent.
Gwen reports: Nov. 2-3 Arne Koets Historical Horsemanship and Sword Combat training. See FB Outlands Cavalry group for info. Sun. Oct. 20, 2019 is equine practice! Generally every 3rd Sun, but recent disease issues have disrupted this.

Chatelain:
Absent.

A&S Minister:
Absent, in England soaking up A&S! Asking for A&S meeting location suggestions.

Ursula, Rosalind, Richenda looking for a place and night of week for The White Rose Inn (talk, taste, ...) meetings.
Suggested that A&S might follow the same pattern; rotate through peoples' houses.
New majesties will be looking for largesse. Should we have a "make largesse" night? Supposedly Joann's/Michael's/... have (rentable?) rooms for this kind of thing. Libraries too, e.g. Harmony FRCC library. Dates? After Coronation!

AI: THL Cecelia to find dates/rooms and post a poll for largesse making evening.

Herald:

Absent. 1 pending submission. Waiting on payments to send 3 more. Working with Elyse to streamline payment process.

Scribe:

Absent.

B&B:

Awesome Barony. Newcomers "knocked out of park". Mostly just "we need autocrats". Keeping doing what you're doing.,

Seneschal:

A musician in Loveland is looking for dancers to join their group. Anyone from SCA want to join? See FB post for details. Or ask Vigdis/Chatelain.

Aegeon wanted discussion re: what people would value about summer practice site. Unordered list:

- Shade.
- Restrooms.
- Places for kids to play, nearby/within eyesight.
- Parking, loading zone.
- Weather protection.
- Ability to rent(reserve) pavilions.
- Alternate space within the site (e.g. pavilion, nearby other field if ours is in use)
- Area crime rate; safety.
- Visibility to non-SCA people to bring them in.
- Public transport.
- Easy to find/give directions.
- Did site work in the past? Not in this list; not a value in itself.
- City maintenance/cleaning/clearing.
- Centrally located within Barony/catchment area. Think about people from Greeley, Evans, Windkeep,

Moving officers meeting site?

Day/time?

Fridays limits attendance due to weekend event travel and/or exhaustion?

Wed 6PM suggested by Vigdis.

Elyse said Thu better.

Location?

Send suggestions.

Vigdis researched a few.

Do we need food at meeting site? If not, being able to bring food probably necessary.

Can we meet at fighter practice? Need to avoid clashing with events,

or equestrian practice, ...

Might help involve more people.

Could have additional mini-meeting @FP e.g. announcements, requests for help; attendance would help gauge if others are actually interested; no attendance means unlikely to help w/ being autocrat.

AI: THL Cecelia to see if Breakfast Club in Loveland would work.

Next meeting: 20th Nov site TBD.

No meeting in Dec.
