Reports

Just a reminder to make sure you are getting your reports sent in a timely manner
For the barony
Previously been due by 1st of the month
I will change this to coincide with kingdom
For kingdom it is usually the 10th of the month
Ccing the barony your kingdom report is acceptable

Injuries on the Practice Field

This last Sunday at practice, there was another injury and an equipment malfunction
These were reported per society/kingdom policy
Kingdom KRM, Ian, sent a reply to these reports
Not hurting opponents is "dear to my [his] heart"
Need to have workshops/talks "at length" regarding controlling
movement and avoid hurting opponents
He recommends extending before moving towards opponent
Also sword should hit target before foot hits floor in a lunge
He is willing to be a part of these workshops/discussion
Can be physical or virtual
Should we set something up?
Vigdis's recommendation is if we can make it happen we
should, in either form
Liliana suggesting to have him come at an event that
has a "draw"
Marcus thinks it's a good idea, before Christmas might
be difficult. Suggestion is to set up in the new year. Will
have a chat at Sunday practice.

Fieldhouse for Rest of Winter

It needed to be decided whether or not to stay in the Fieldhouse for winter practice
Need to get reservation in quickly
Not able to discuss at populace mtg before decision made
Did poll the fighters through the marshals
Will stay in Fieldhouse for Winter
With Covid #s going up
Uncertainty regarding locations available
With weather being variable
Relying on outside location is not best method based on needs of all populace
members
