Baronial Buzz

Greetings Good Populace,

For a little over a year now, we have been closed for any official in person events, and as of today, that restriction is lifting. However, there is a lot that goes into the movement of back to in person, and there are a number of things we must all consider; considerations we have been talking with our officers and at the populace meetings the past few months.

It is important to note, that the change back to in person is not automatic. Their Majesties along with Their officers, have very careful guidelines for us to follow, with the realization those guidelines are changing as we speak. The general rule is simple, we will always error on the side of both compassion and caution for our populace.

With that in mind, let it be known we are planning a phased roll out of in person events, with Their Majesties approval at every stage. We are first submitting approval for archery and equestrian. The goal is to have archery practice on Saturdays and are looking at a more central location, the equestrians are planning to start up their regular meetings every third Sunday. Guidelines will have to be followed for both, which means attendance lists, masks, and other safety considerations.

After we have a couple weeks of archery and equestrian activities, we are working with our officers to submit paperwork for fighter practice and arts and sciences meets ups, starting early July. The current goal we have discussed with our officers is as follows, though we will finalize it at our June populace meeting (so attend if you have input).

Armored combat practice will be Sunday mornings at 11AM, and Rapier and Cut & Thrust will be in the same park at 1:30 PM on Sundays. We will be encouraging Arts and Science classes as “bring your own lunch” events, at noon in the same park. People who want to stay all day are welcome, those who just want to come to one event and leave, are also encouraged. Come to the populace meeting to talk about it in more detail, but our goal is to create a time for Unser Hafen to come together as our SCA clan, with a common location for us to hang out. A time for us to celebrate and rebuild; an “Unser Hafen Sunday in the Park” if you will.

The re-opening of events is going to be slow Kingdom wide, and

attendance and travel will still be limited - as most areas have restrictions on numbers. That is why we choose to focus on Our Home, Unser Hafen. Now is the time to place focus on the Barony and the populace, and see about reaching out to our members across the Barony. Let us make time for our Barony, and celebrate what makes Unser Hafen great. Throughout this pandemic, I know households have remained strong, so let us build upon that strength for the greater Unser Hafen. We look forward to seeing everyone in a safe and controlled manner.

We are Unser Hafen, a Home that plays together, stays together. Stone Wolves have each other's back! So to our dearest Stone Wolves: know you are our pack; you are supported; you are cherished, and you are loved.

In love and service,

Aegeon & Miriam

We all eagerly await spending more time together now that the suspension of in person gatherings has been lifted. I beseech thee to attend, for thy constitution and perseverance shall be sorely tried. The way forward continues to be fraught with obstacles and restrictions. Therefore, I encourage you, dear populace, to heed the warning I have posted and be patient. Likewise, in the beginning let us stay as close to home as possible. Know we are doing all within our power to resume activities/practices/events as quickly yet safely as possible. Keep checking the website and our Gatekeeper for the latest updates regarding our re-opening.
