Condottieri: The Battle of Venice

Sir Felix Sniumi and his followers won the heavy fighting for the day! It should be mentioned... Unser Hafen brewers completely SWEPT the competition held at Condottieri. Lord William Kearney won the beer/cider division. His lovely Lady Ruth of Birkenfeld won the wine/meads division. And Her Honor Meadhbh - Sandy Gomke won cordials and liqueurs. Her Majesty was inspired to comment on the state of our Barony's happiness and was gifted with a cordial crafted by our Seneschal THL Soren. Let it never be said that Unser Hafen ever goes thirsty! Or hungry, while we're on the subject. There was also a Siege Cooking competition held. Our own Hospitality Warriors, the Smiling

Bull took the Coronets' Choice and ceded the Populace Choice to their opponents, Who's Doing The Dishes, by one vote.

Lady Lisette won the title of Equerry - Unser Hafen's Equestrian champion. Winning the day with not only skill but immaculate grace and poise upon the breathtaking Honey.

The 2017 Colorado Medieval Festival at Savage Woods this past weekend was a great success thanks to the hard work of our crew guided by Lady Elise Joulle. Many people came to observe the fighters and to see various A&S projects that were being demonstrated. Hopefully the experience will bring new blood to our Barony!

Getting to Know Our Populace

Meet Don James MacPhearson, aka Haggis.

He was born Nolan Smith in Fresno, California and moved with his family to

Fort Collins at age 7. He has travelled extensively, but always remained living in Fort Collins

In the SCA as a teenager, Haggis rejoined around age 27. Always living in Unser Hafen, he is now a part of a newborn household with others called the Company of Villiens. Haggis a white scarf, a marshal and an hospitaler. His persona is a late 1500's Elizabethan Sea Dog and mercenary. He is Scottish and is focused on smuggling and piracy. In the SCA he focuses on arming and training new fighters and researching weapons and armor.

Haggis feels that while mentor/student relationships work for some, he honestly enjoys groups where everyone is a student and everyone is a teacher.

Haggis' hopes for SCA life is to bring more people into this wonderful dream we live. For the Barony it is his hope that more long term players take officer and event-running responsibilities so that we can have more local events. The Kingdom and Society he does not tend to focus on, although it is his belief that the populace of both should always focus on good attitude, open-mindedness and fun

GATHERING OF THE GUILDS*

at Crown Tournament

Often times, at Crown Tournament, there is a good deal of free time
before and after the actual tournament is taking place. At the upcoming
Crown Tournament in Unser Hafen (August 11-13), we are going to be

holding a “Gathering of the Guilds*”, as an additional activity for the populace, and to give our many Guilds* a chance to showcase what they do. We have LOTS of space at the event, and so there will be an area set aside, away from the fighting field (similar to a Merchant’s Row), where guilds* can put on displays, hold classes and demonstrations, or just provide a place for people with a common interest to meet. Because this is a camping event, these areas can be set up on Friday, and remain up until Sunday. [Note that all we will be providing is the space – each Guild will be responsible for providing their own shade, tables, chairs, etc.] If your Guild would be interested in participating, please contact Master Hagar the Black (hagartheblack@gmail.com) with an idea of what you would like to do, and how much space you think that you’ll need.

* “Guilds” aren’t just groups that use that word in their names. It would also include Special Interest Groups, activity-based households, Sunday afternoon garb workshops, etc.

From our Baron:

Dear Populace,

Mundane life has caused a big change for myself, Her Excellency, and my family as a whole for the coming months. I have taken a temporary job in Salt Lake City working at the Utah Jazz Stadium for a huge

remodel. This will cause me to be absent for the next two months from events, practices, and business meetings. This also leaves Her Excellency with little help to prepare for events. This is going to be an exhausting and emotional time for both of us and we ask and welcome any assistance we can get.. I have no doubt that the Barony will continue to thrive and grow as it has for many years. We thank you for your patience while I deal with our mundane life.

A message from our Senechal:

Greetings to the wonderful populace of Unser Hafen!

I had a great time at Condottieri and was pleased to see so many friends out there. Congratulations go to our new Equerry Lady Lisette who showed her

skill on Sunday. The weather was great, and a good time was had by all!

I look forward to joining all of you at Of Fire and Wind at the end of the month. This is another opportunity for us to get together and show off how amazing Unser Hafen is.

Our next Baronial Revel will be the first Sunday of August, the 6th during our normal fighter practice time. Our last Baronial Revel was a great time, and I am sure we can make this one even better!

Join us on June 16th for our Monthly Business and Stewards Guild Meeting. Everybody is welcome, we meet at the Perkins off of Crossroads Blvd at 6. Even if you do not want to volunteer for anything, you are still welcome to join us. This is a great opportunity to find out what is going on in Unser Hafen and how you can help make us a shining example of the hospitality of the SCA!

I remain yours in service,

THL Soren Thorvaldsson

GREETINGS UNSER HAFEN!

Haggis here, and it's been one heck of a month and looks to be another big one!

Congratulations are in order for new fighters Ulric, Murdoch and Bassem, who authorized in rapier for the first time, and Lohengrin who authorized as a marshal. And we've nearly a half dozen other new fighters soon to do the same.

And that's the message for this month folks, we have new players coming to talk and learn this year in big numbers, and it's looking like the Loveland Ren Fair may bring in even more! I would like to call out all of Unser Hafen to the upcoming events and fighter practices. These new faces need teachers and friends, so bring your enthusiasm, your weapons, and your A&S projects.

The Spring Canyon site has shade pavilions and electrical outlets. Come meet all our new players and show them what you do!

On the upcoming activities list, too, is getting anyone local who is interested authorized to marshal Archery and Thrown Weapons, so

anyone interested please contact me at haggissmith@aol.com.

This is going to be an awesome summer!
