Baronial Buzz

August is behind us and the Autumn fast approaches.

### **STAG Event at Draca Mor**

August had us attending the Shire of Draca Mor's event STAG (Summer Tournaments and Games). It was well supported by Unser Hafen with the attendance and participation of Lady Vigdis, Lord Ulrich, Lady Euphemia, Lord Winfred, and your Baron and Baroness. People also came from Dragonsspine to Windkeep in order to support this small Shire. Though the trip was a few hours, it is important to travel and support all of our groups, and especially the smaller Shires. Additional thanks to Ladies Vigdis and Euphemia for taking care of us.

### **Tournament at Fighter Practice**

Last month we had a small tournament at fighter practice. By having these tournies we get experience fighting, but also in running a tournament. Congratulations to Lord Fjol and Lord Winfred for winning the tournies. A big thank you to Mistress Agnes Lanvallie for helping out as Minister of the Lists. And thanks to Don Marcus and all those that helped marshall the fighting.

### **Champions Tournaments September 10**

Please come if you can as we hold Tournaments to choose the Champions for Archery, Equestrian, Heavy and Rapier. A big full day, but it will be fun to see all the different skills on display and the excitement of who will be the next Defender, Protector, Warden and Equerry.

Thanks to all that make our Barony a wonderful place to play,  
Freana, Baron  
Richenda, Baroness

## **Seneschal's Sentiments**

Greetings Good Gentles!

Hear Ye! Hear Ye! The Kingdom of the Outlands is no longer implementing the SCA's Covid Safe policies. However, a strong recommendation has been put forth that indoor events make use of masks for added safety. Now, onto some more exciting news!

I am amazed! Their Excellencies and 4 gentles were present to represent Unser Hafen at the Shire of Draca Mor's S.T.A.G (Summer

Tournament and Games) event. I believe there were approximately 40 people in total attending.

It was quite a day! Upon entering the site and registering with Gate, we were given the site token, a hand carved Viking Pan flute. Some were more adept with their initial use of this instrument than others. However, fun was had by all with their attempts.

There was a heavy tournament of which all I can say is the fighters, when observed from afar, looked to be enjoying themselves despite the humid heat. The rapier field held a pine box tournament which challenges the combatants to demonstrate their prowess with defense by being the first to draw blood. Any overly enthusiastic individuals were mercilessly heckled should they kill their foe outright. An interesting portion of the rules was any wounds sustained did not heal but rather became a hindrance when fighting a new opponent.

The Arts & Sciences competition was by the populace's choice. The works of artistry were as varied as they were phenomenal. On display was the illumination/calligraphy of a Laurel's scroll, hand drawn tarot cards, chain mail, glass beads, musical instruments, tablet woven garters (submitted by one of Unser Hafen's own), along with many others.

What was even more spectacular were the prizes for each of the aforementioned categories. There were three lyres each with its own trunk. These lyres and trunks were hand made by Egil and Gunnsteinn. After the first tournament winner went up to choose which lyre would make its home with him, the trunk was opened and its contents revealed to all those assembled. Inside each trunk was: an instruction booklet for playing the lyre, a lyre tuner, a copper viking weave bracelet, 2 bottles of Mead (Wildflower Traditional Mead by Slaymaker Cellars & Blackberry Hex by Superstition Meadery), a stag chalice, a glass viking horn cup, and a \$700 gift certificate to a hot springs & hotel (the shire did request that when the gift certificate was utilized then the individual would also make a guest appearance at Draca Mor's fighter practice).

I am deeply humbled by the generosity and the craftsmanship displayed by this small shire in the mountains of Colorado. I can only hope that one day someone will be able to say the same of this fair barony.

In Service,  
Ladyship Vigdis Knarrarbringa,  
Seneschal of Unser Hafen

## Herald's Call

## Hype Your Friends!

We all see amazing acts at SCA events and activities. From bards who grant us an exceptionally moving performance, to the fighter who steps off the field to encourage a newcomer, or a Herald who roams camp every morning to give daily announcements - there is so much that happens at any event that often goes missed by those able to recognize great works. The Crown and Baronage of any group relies heavily on award recommendations to ensure their populace is properly recognized. Here's some tips on how to brag on your friends!

### **Q: How do I know what awards there are?**

A: Unser Hafen awards, those that can be granted by our Baron and Baroness, can be found on [www.unserhafen.org](http://www.unserhafen.org)

- Hover over 'Court & Officers' to see link to 'Baronial Awards'
  - This page offers a great visual reference for what awards belong to Unser Hafen.

For Kingdom awards, those granted by our King and Queen, visit <http://www.outlandsheralds.org/>

- Precedence & Awards (<http://wimble.outlandsheralds.org/>)
- "Awards By Kingdom or Barony", on the left hand side, will take you to a page where awards for the Outlands, and every Barony within, are detailed.
- Select 'Outlands' to see your options
  - You can explore Unser Hafen's, and other Baronies', awards here as well
  - Please note some awards have very specific requirements while others are 'closed' and are no longer being issued.

### **Q: When should I submit an award recommendation?**

A: Every chance you get! Kingdom recommendations get uploaded to a database that compiles when an individual receives multiple recommendations, so don't worry about duplicates. Duplicate recommendations can actually help a hopeful's chances. Do worry about timing, however! Most awards require the Crown or Baronage to request a scroll from their scribes. This process can take two to three months so please be sure to look ahead when thinking of recommendations. For Baronial events, you can go to [www.unserhafen.org](http://www.unserhafen.org) and visit the "Calendar & Events" tab. For Kingdom events, go to [www.outlands.org](http://www.outlands.org) and find "Events" along the top. While there, pay attention to the "Royal Progress" column that shows which events Their Majesties plan to attend.

### **Q: How do I know what awards a person already has?**

A: From the same Wimble website as listed above, go to the left column and select "All Awards and Orders for the Outlands and Baronies". This will show all awards listed under their respective group which will link to a roster of every person who has received that award in the past. You can search an individual by their SCA name for a filtered list that shows all the awards that one person has received. It is important to note that

one person is assigned to keeping this website updated, and they rely on Court Heralds from the Crown and Baronies to send email updates of what awards have been issued. Sometimes there are delays in updates to Wimble.

**Q: What are the awards I can recommend?**

A: Just about any award that exists so long as the individual lives in or has done service for the group that registered the award. It is important to make sure that the award matches the service.

**Q: What awards should I NOT recommend?**

A: Count/Countess, Duke/Duchess, or Viscount/Viscountess cannot really be recommended as these are elevations that are granted only at the end of a reign to the individuals stepping down from being Crown or reigning over a Principality. There are also awards specifically designed for the Crown or Baronage to issue based on personal service and exemplary grace during a reign (e.g. Cordon Royal, Queen's Cypher, Queen's Grace, or Torchbearer of Unser Hafen).

**Q: What does 'armigerous' and 'non-armigerous' mean?**

A: Armigerous awards carry with them an Award of Arms. When an armigerous award is given, the recipient automatically becomes a Lord/Lady/Noble of the Realm if they had not been granted an Award of Arms previously. Non-armigerous awards, then, do not carry an AoA.

**Q: How do I submit an award recommendation?**

A: For Kingdom Awards go to <https://www.outlands.org/>

- Login/Logout - You will have to create login credentials to have access to the Awards Recommendation link. It does not take much, and it allows the system to send you a confirmation email once your recommendation is complete. A submitter does not have to be a paid SCA member to sign up for this website.
- "Award Recommendations" is the first link under Outlands Quick Links on the right
- "Review Kingdom Award Info" will open another tab to the Wimble website where all Precedence and Awards are documented.
- "Submit an Award Recommendation" opens the form needed to do just that.
  - All required fields have red stars
  - Note that you do not have to know much of the hopeful's information but having a name and the local group where they reside will go far in helping the Crown find the person you have submitted
  - There is another handy link in the middle of the form, "Outlands Awards Descriptions", that will take you to the Awards by Group list on the Wimble page.
  - Once you submit a recommendation, the information will be entered in a massive database that the Crown has access to.

For Unser Hafen Awards simply let our Baron and Baroness know with a note, a discreet conversation or an email ([baron@unserhafen.org](mailto:baron@unserhafen.org) and [baroness@unserhafen.org](mailto:baroness@unserhafen.org))

## Scribal

August saw the Guild's first class, Scribal 101, at 'Scribal Night at Unser Hafen.' It was co-taught by the Honourable Lady Cecilia da Firenza and myself. In attendance were four gentles, three attending ethereally from neighboring Baronies. Our September meeting, on the 26th, will be open night - bring whatever you are working on, ask questions and commune with your fellow scribes.

As many of you come to Scribal Night straight from work we are considering offering a meal. There are several scribes who do not work outside the home who would prepare a meal. To do this we would need to know who would be in attendance so there would be enough food. Either a nominal fee or donation bowl would also be in order. I would like to hear your thoughts on this idea!

Scrolls are being created for Unser Hafen Champions, and I have two calligraphy students at present. All in all, the scribal arts in Unser Hafen are flourishing!

Your humble servant,  
Anne Elizabeth Morley
