Brewer's Feast (May 16, 2020)

Autocrat lead= Lady Gwenllian MacDonald

Autocrat mentee= Lady Vaeltaja of Unser Hafen

Location is Knights of Columbus in Fort Collins, CO

- Rom Dom is looking into the cancellation policy and considering this event would occur just one week after the CDC's recommendation of no groups greater than 50 people for 8 weeks ended, I believe it would be best to cancel this event.
- \$100 now, \$100 two weeks out, and remainder at time of event, nothing yet paid.
- Would leave only one week to get organized, what if anyone gets sick? Also, the food needs to be purchased and made.
- Combine with Yule? Decision made to combine with Yule.
- Rom Dom okay with still being Autocrat, Vaeltaja and Safiyya to help
- KofC is possible for location, but now have time to search for bigger event site.

Unser Hafen Champions/Defender (?July 19, 2020)

Autocrat lead= Arien Haywood (spouse of Lord Falki AsGierson)

Autocrat aid= Her Honour Safiyya bint Faris al Dani

- I have had no updates regarding this event.
- Safiyya reached out to Arien, but has not heard back (works for UCHHealth so probably unavailable)
- Aiming for Edora park for event site

Unser Hafen Newcomers (?September 19, 2020)

Autocrat= Baroness Arianwen Sweet

Autocrat mentee= Bea Perrine

- Location is as yet undetermined however, Baroness Sweet, Vigdis, Jarl Freana, and Mistress Richenda did a tour of Council Tree Covenant Church to see if it may be suitable for the event. Baroness Sweet got an email from the church saying this date was acceptable and the fee would be \$1000 for the entire site for the entire day. Need to ask if this would include set-up time for Friday night? Baroness Sweet is looking at another site before making a decision.
- Need to ask about the level of cleanup needed.

Seneschal (Officer= Lady Vigdis Knarrarbringa & deputy= Honourable Lady Cecilia Caterina da Firenze & secretary= Lady Euphemia de Argyll):

- It has been an interesting month to say the least. Sad to say I do not think I received any March reports. Granted a lot has been going on, however, even with no events/practices, this is a good time to get into a routine. No excuses. So, let's start fresh for April, all reports are due April 1st, even if all you say is nothing to report because of social distancing due to COVID-19.
- This is also a good time to get in award recognitions.
- Speaking of which, The Board, on March 24, 2020, is encouraging all kingdoms to follow the governmental leads in their areas. They recognize things will be tricky and encourage the kingdoms to "think outside the box" when it comes to planning events. They offered ideas of online classes, pen pals, and check-ins as ways to connect with others. The Board has also created #SCA at Home Highlights (sca.org/news/scaathome-highlights/) where you can post examples of how the Kingdom/Barony/Shire are coping with the social distancing.
- Their Majesties are "suspending all organized activities in the Outlands until April 30, 2020. They still plan on having Crown/Coronation the 1st weekend in May. Saturday Crown Tournament would be held and Sunday would be Coronation. The list for Crown is currently closed. Three elevations are also to occur that weekend.
- Make certain autocrats that we are including our mentees in the planning process, this is their time to learn, so next time they can be a lead.
- I believe, considering the numbers and all the restrictions in place, the April meeting will also be a virtual one. Also, let's just edit the existing event post rather than cancelling and reposting.

Baron and Baroness Bite (Baron= Master Aegeon the Actor & Baroness= Honourable Lady Miriam Volpe):

- We are in charge of the first party (revel) at Battlemoor.
- Wolf Howl Bardic went well

- Will likely do another bardic in a couple weeks, anyone who would like to lead it contact Baron Aegeon
- Post on Facebook to find out times/dates that work
- Shannon plans to do “crafternoon” on Zoom every Sunday if people are interested
- Aegeon to keep pushing to encourage fighters to do drills and keep in fighting form
- Fighter practice location change - Aegeon to get with fighters to maybe set up a virtual meeting to discuss the parks in the area, possibly during the normal fighter practice time.
