A&S Open Position Edition
November 2019

Call for Letters

Stone Wolves! We have need of your generous nature once more.

It is now time for our **Minister of Arts and Sciences** to step down, thereby giving her time to focus on her own projects. Thus, we are in need of a new Minister of Arts and Sciences.

Pray tell, what would be required of someone in this position? First and foremost, you must be a member of the SCA. The A&S minister helps to promote the arts and sciences of the Middle Ages. The A&S minister also organizes a monthly (or more frequent) A&S evening/gathering for the purpose of introducing/teaching one or more of the arts and sciences. Attending our monthly business meeting is also quite helpful.

In your Letter of Intent, include a brief introduction which has your name (mundane and society), address, phone number, and email address. Mention why you are interested and what you hope to accomplish while in the office. Likewise, tell of your experience within the SCA and which skills you have which make you a good candidate. It would not hurt to provide a copy of your membership card and/or a listing of awards you have received. Email your letter to the Seneschal and either [Baron Aegeon](#) or [Baroness Miriam](#).

Please submit your Letter of Intent for the position by **December 15th**.
