Baronial Buzz

Felicitations to the Stone Wolves of Unser Hafen,

Happy SCA new year! We are now in Anno Societatis 55. This is a great time to reflect on past goals, where you are now, and future goals. It is possible that in the near future we will get to meet in-person again. Is your kit in good repair? Have you been art-ing? Training? If these things have fallen by the wayside you might consider if now is the right time to restart those practices.

Whether we are able to gather in person or not, there are plans for a fantastic Newcomer's Faire September 4th, labor day weekend! We are currently designing an awesome interactive virtual space with multiple rooms in case it is not safe to gather in person that weekend. We will be maintaining a close eye on safety and if The Crown deems it safe enough we will gather in a park with lots of open air tents to create welcoming spaces for classes and demos. Keep your eyes peeled for more information as we get closer to the event.

Thank you all for your patience and support as we have navigated the many ups and downs of the past year. We cherish the support of our Pack.

We are Unser Hafen, a Home that plays together, stays together. Stone Wolves have each other's back! So to our dearest Stone Wolves: know you are our pack; you are supported; you are cherished, and you are loved.

In love and service,

**Aegeon & Miriam
Baron & Baroness of Unser Hafen**

Seneschal's Sentiments

Greetings Good Gentles!

Good weather has returned and following it the desire to gather once again. Knowing that the resolution to suspend in person events shall be lifted soon allows temptation's insidious tendrils to invade our rational mind. Do not allow yourselves to be drawn amuck. Society has laid out their rules for what is allowable and the Kingdom, the barony even, must abide by said rules as a minimum requirement. However, if the Kingdom or barony should choose, they may impose more strict regulations upon the populace.

Our fair Kingdom of the Outlands has developed a protocol by which to aid this transition from hibernation. Their protocol allows for the populace to once more engage in practices and events although via a phasic opening. Our current phase is gated, which means no in person practices nor events. This shall remain steadfast until the first day of June with no exceptions. The difference between a practice and an event is such that a practice is a regular, recurring gathering and an event occurs only once. I shall refrain from providing minute details regarding the phasic opening because said information may be found upon the Kingdom's [website](#)

Please understand, dear gentles, our security is at the forefront of our sovereigns' minds and they shall permit none who would thwart the safety of their people. Knowing this, expect for the beginning stages to be quite regulated and controlled. If one is not inclined to follow the rules set forth, my suggestion is to linger within your lodgings. I say this because if just one gentle were to refrain from abiding by the established protocols then, whichever practice or event they were attending would immediately be cancelled and all sent back to their homes. This is a tragedy to be rigorously avoided.

I urge you, good gentles to think deeply of your fellow members. Once practices open up, the allurements of traversing accustomed routines will weigh heavily upon our hearts and minds. Resist this enticement and be cautious. In the beginning, it would behoove you, along with other gentles, to remain within the boundaries of your baronies. In some of the more remote areas of our kingdom, it is challenging to acquire a goodly number to make a practice or an event worthwhile. Such circumstances require forethought and sensibility, thus seek to venture no further than your closet, neighboring barony/shire/principality.

Good gentles, I value every one of you and wish solely to protect your person as well as our game. My desire is not to dissuade you from gathering once more. My ambition is to provide needful guidance towards the progress of resuming activities with as little

interruption as possible. Let us be prudent and respect settled guidelines and conduct ourselves in a manner to promote everyone's safety.

What's Going on in our Barony?
