2 August 2022- Donations Welcome – Moving the SCA Archive

For 20 years, the hot dry climes of Caid have played host to the treasure trove of artifacts that make up the SCA's Archive. Under the watchful eye of CT Alderson (Aldred von Lechsen Aus Frosheim, OP), the Archive is being sorted and packed for transfer to the Corporate Office while its next home is finalised. This is a large undertaking and while volunteers are assisting in the work to reduce the costs, it will still cost several thousand dollars. If you would like to make a donation to assist with offsetting these costs, they would be gratefully received. Go to SCA.org to donate

9 July 2022 - August issue of the Outlandish Herald

- Outlands Kingdom Administrative Policy Section VI Policy Applying to All Offices Under Subpart e Change of Officers

6. To facilitate the orderly change of Offices an optional "Officer Elect" position is created. The Officer Elect position is strongly recommended for offices at the Kingdom level and groups, such as Baronies where there is enough member participation to have a healthy officer core. The Officer Elect position shall be advertised 8 months before the given officer's warrant expires. The officer elect will be selected 6 months before the officer's warrant expires. The Officer elect will then be warranted as a deputy under the office and begin training until stepping into the office. This is an addition to Section VI

Use of PayPal at Gate for Events

PayPal at the Door (PayPal Zettle) is now available at certain approved events. To be approved, your event must first confirm that the event site has acceptable cellular service to lock on and maintain a good connection to the PayPal website - storing payments for upload later is not allowed. Second, authorized PayPal Swipers will need a smart device such as a smartphone or tablet for the card reader to connect to via bluetooth. Only approved PayPal Zettle card readers may be used to take payments. The Kingdom of the Outlands will purchase each group's first reader at no cost to the group. Please contact either PayPalDeputy@Outlands.org or Exchequer@Outlands.org to see about getting your first and/or subsequent card readers.

[PayPal-at-the-Door Authorization](#) (fillable pdf) - Please complete this form if you would like authorization to take credit card payments at the door. Please send the completed form to PayPalDeputy@Outlands.org and Exchequer@Outlands.org for approval.

- All PayPal Swipers listed on the Authorization form will need to go through formal training with Kingdom and Society no more than 30 days prior to the event. Once satisfactorily trained, those Swipers will be warranted by the Kingdom Exchequer. Complete this [Request For Financial Warrant](#) and email it to Exchequer@Outlands.org with a copy of a valid drivers license and current membership card.

The Request for Financial Warrant is for the people who want to be swipers. They need to complete and have the local Exchequer sign to the bottom. Then send it back to exchequer@outlands.org with a copy of their drivers license and membership card. Once received, the Kingdom Exchequer will complete a Financial Warrant good for only the event that is Authorized.

The other is for the Authorization to Use PayPal. This form is usually completed by the Event Steward and given to the local financial committee for approval and the local Seneschal's signature. For just PayPal Swipers, you only need to complete the first 2 pages. It is then sent to both paypaldeputy@outlands.org and exchequer@outlands.org. If the group is current on their financial reporting, the Kingdom Exchequer will likely give her approval, and then I will do my thing in PayPal. For just PayPal Swipers, you only need to complete the first 2 pages.

Once forms are received, a training session will be arranged.

Vigdis will look into the charges involved with using PayPal (how much, who pays, etc)
