### 2021

### Baronial Buzz

**Greetings Good Populace,** 

Recent warm weather brings us a teasing breath of spring. Please continue to lovingly tend your hope through the cold winter days. With spring there is some hope that we may be able to have a few small events in later summer or fall. However, summer and fall approaches quicker than we realize. What can we look forward to?

Planning for the future, we hope to hold a champions event. This will likely take place outdoors in a local park, providing county and Corpora allow. There are also tentative plans for a Newcomers event in the late summer/early fall, an event Unser Hafen is well known for. We also have over a year worth of Newcomers to introduce to SCA events!

Why are we talking about this now? Many hands make light work, so when you hear announcements from the event stewards for those events please be prepared to step up and help out. Let's all come back together, and make our return both safe and grand!

Coming back to the present, we have enjoyed hearing from our populace and seeing pictures of your works on the Book of Faces.

While Aegeon has extremely limited Facebook access, he has enjoyed hearing the updates from Miriam. Please continue to share your victories and tribulations! Wolf Den Sundays will be resuming on February 7th at 6:30 PM. They will be every other week. If you would like to teach a class during that time please fill out the form located <u>HERE</u>. Keep your eyes open for special social meetings. There has been a rumor of game and movie nights to be scheduled in the future. These are just meant as times for us to get together remotely, and play as an SCA tribe.

We are Unser Hafen, a Home that plays together, stays together. Stone Wolves have each other's back! So to our dearest Stone Wolves: know you are our pack; you are supported; you are cherished, and you are loved.

In love and service, Aegeon & Miriam Baron & Baroness of Unser Hafen

### Seneschal's Sentiments

### **Greetings Gentles!**

The ways of nature are strange. Forces beyond our control impact us daily; changing our aims for that day, altering our priorities, or merely causing us to take a new route on unfamiliar roads. No matter the obstacle nor diversion, there is always a choice under our command to make. Now, more than ever, it is imperative to remember we control our own actions and ultimately, our destinies. The wheel of fortune may be on a downswing but what we do with that is up to us. It would be very easy to become complacent, especially with medical advances now being administered to combat the plague which has weighed so heavily upon us. I say, NAY. Be ever vigilant, do not allow yourselves to succumb to "plague fatigue." A learned member of the community used this phrase in conversation with me this week and it seemed appropriate. We are all so tired of the restrictions governing us. Please recall, all the protocols set forth are with our safety in mind. Let not thy judgement lapse. Wear thy protective clothing, limit interactions, keep a safe distance whenever possible. The time draws nigh when we shall once again be able to attend events together and dare I even speak the words, hug those we care about. Stay the course, we shall all be healthier for it!

In Service, Lady Vigdis Knarrarbringa Seneschal of Unser Hafen

# Oyez! Oyez!

### **Fighter Reauthorizations**

\*\*EVERYONE NEEDS A NEW CARD\*\*

Cards will be changing colors, so everyone - heavy, light, equestrian - needs to reauthorize. There is a schedule of when you can reauthorize, depending on your current status (expired or still in good standing). Please go to the Kingdom website page for information and instructions. The page can be found by clicking <u>HERE</u>.

### **Background Checks**

All youth activities require at least two non-related adults be present, with at least one required to have passed a background check. The more background checks that are submitted and approved, the more youth activities we have the ability to provide.

Help keep The Dream alive! Consider submitting a background check <u>authorization form</u> if you haven't already done so, or resubmit

your application if it is about to expire or has lapsed. Background checks are valid for two years.

(Background checks are required for Seneschals, Youth Coordinators, any officers that have oversight of youth activities and all YAFA Program officers including volunteer mentors. If you are in one of these positions, please make sure your background check is up to date.)
