

July 2020 Populace Meeting

6:30pm 7/15/2020

~Events~

Thank you all for taking the time to join us this evening. I will do my best to keep it short and sweet.

Reminder:

Per our King/Queen there are no official in person activities end of August 2020, so basically Sept. 1st. The crown will let us know when that changes.

Events:

The barony will host the **Unser Hafen Wolf Den**, a virtual event, every other Sunday from 6:30pm to 8:30pm.

Had our first class during this time, Baroness Helene taught how to make Persian Gatorade. It was a good class which we got recorded.

- Ulric is looking into posting it to our YouTube channel

We still need teachers/classes. If you are willing or know someone who is willing to be a teacher contact Lady Liliana (Kimberly Carman) via the Book of Faces or her email of ladylilianadelledera@gmail.com.

- There is a form to fill in on ideas to cover during the events - in newsletter and on populace FB page
- Looking for diverse topics
- Entertaining the idea to propose classes where instructors are willing to teach a class regardless of class size, record them, and add to the YouTube channel library
 - Concern on teaching hands-on projects - view would be over the shoulder, causing possible issues with mic pickup
 - Liliana will investigate further
 - Videotape in advance and then allow Q&A

Unser Hafen Champions/Defender (postponed until 2021)

- Autocrat lead= Arien Haywood (spouse of Lord Falki AsGierson)
 - Autocrat aid= Her Honour Safiyya bint Faris al Dan

Virtual Feast (?3rd weekend Oct. 2020)

Autocrat lead= Baroness Helene

??Persian Pirates with Panache?? (30th anniversary gaming event 1st weekend in October)

Autocrat lead= ?? Nico asked to think about if he would run it, no answer so far.
Deputy autocrat= ??

If possible would love to have an in-person event. Although, people may not want to do this with numbers on the rise with COVID.

Games tables, bring your own drink, bring your own food

Would likely be a 50 person max if in person event

??Newcomers Camping Event??(End of Spring Semester)

This was suggested at the last meeting. Still looking into if this is a possibility.

Unser Hafen Yule and Brewer's (January 2021)

- Autocrat=
- Autocrat aid= Her Honour Safiyya bint Faris al Dani
- Autocrat mentee= Lady Vaeltaja of Unser Hafen

Would Safiyya be willing to take lead or shall we search for a new autocrat. I have yet to speak with Vaeltaja to see where she stands.
