Other Business:

If your interests align and you can fit it into your schedules it would be wonderful if we can lead by example and enter the upcoming Arts & Sciences competitions ( i.e. Tri-baronial & Kingdom A&S) if only to display.  
Kingdom A&S is in April in Broomfield

I did get ahold of Vincent who has 2 full sets of armour with swords. Felix has agreed to meet with him sometime and collect them.  
Don Marcus sent me a inventory of fencing equipment and said he would send the same inventory to Lady Elyse and Ear Mika. I also spoke with Lord Uthred who is working on one as well.

Thank you all for everything you have and continue to do for this barony.
