Letters of Intent - Deputy Edition
November 2019

Call for Letters

Hear Ye, Hear Ye!

Good Day Stone Wolves! It is time to explore new horizons! Our fair barony is in need of deputies! No, don't run away, nor tell yourself you would not do a good job! Being a deputy does not mean you will take over the office. It means you have an interest in that particular area of the SCA. It means you are willing to learn how we can have so much fun and still be a volunteer organization. We want all those participating to have an exceptional experience and therefore, we need to spread the joy and responsibility to help each other.

Please submit letters of intent (always the first step), by January 1st to either the seneschal at seneschal@unserhafen.org or baron/baroness at baronage@unserhafen.org. We will forward them to whomever is in the office you are interested in. In your letter, include a brief introduction which has your name (mundane and society), address, phone number, and email address. You should mention that you are indeed interested and desire the position of deputy. Likewise, tell of your experience within the SCA and which skills you possess making you a good candidate. It would not hurt to provide a copy of your membership card and/or a listing of awards you have received. You may apply to be a deputy for any office but those in particular need are as follows:

Exchequer, Quartermaster, Chatelaine, Equestrian, Herald, Captain of Archers, Minsters of Arts & Sciences, Social Media, Chronicler, Webminister

In Service,
Lady Vigdis Knarrarbringa
