We Need Officer Help

It takes all of us to keep the club running. We now have over 90 paid members, but we are still looking for officer material. All officers need deputies to help and learn, and possibly take on the office when their time is up. If you would like to learn more about how the club works and in getting things done, contact an officer. If you are interested in being the Archery Captain, send the [Seneschal](#) a letter of intent by the end of October.

Greetings from your Rapier Marshal and Hospitlar!

And what a month it has been! Newcomers was heavily attended and I truly hope that the event was enjoyed and that players of all ages made the connections that the event is all about. And so as this newsletter goes out, it is my hope that those who taught reach out the the new faces of the Kingdom they met and keep showing them the magic of what we do.

Fighter practices are now moved to the CSU Fieldhouse for the winter, and I hope to see you there! Another rapier practice is also held on Mondays in the Edwards Hall event center on CSU, open to all. A craft day on Tuesday (same location) has been gathering a good crowd, bring your supplies and meet the younger additions to the Society. Both practices are at 6:30 pm, doors lock at 7 so get there before if you can.

To all of the teachers who volunteered their time and tallent to help with Newcomers, I would like to take a moment to thank you. Opening up the wonder and discovery of all the interests in the SCA to new people is what we are all about. Special thanks above all to Master Freana, without whose patience and help it never would have happened.

Hope to see you all soon!

Haggis
