Baronial Buzz

Greetings Good Populace,

We have passed the darkest time of the year. Hark, the days lengthen! Soon Estrella will be upon us. The war truck will be stopping in Unser Hafen - if you need help getting your items to Estrella, get on the Book of Faces and look up the details. Many find it convenient to send their luggage on the war truck, then they need only arrange travel for their person.

Although it has been dark, the Stone Wolves have not been idle. We traveled to Caerthe for their annual 12th Night celebration. There was much merriment to be had. Your Baronage helped to produce a Commedia dell'Arte show. It was well-received. Lord Aodhan made a fantastic entrance into court accompanied by no less than four of the Royal Guard, at which time he was welcomed into the Order of the Silver Tyne. 12th Night had many members of Unser Hafen there, participating, and showing the rest of the Outlands the strength of our Pack. Huzzah!

Closer to home and near to all our hearts was our own Yule Celebration. Her Honor Safiyya and His Honor Nicolao hosted the entire barony in their home. His Royal Majesty graced us with his presence and brought several back scrolls to be delivered. It was a lovely evening of warmth and camaraderie. We love spending time with our Pack.

We are Unser Hafen, a Home that plays together, stays together. Stone Wolves have each other's back! So to our dearest Stone Wolves: know you are our pack; you are supported; you are cherished, and you are loved.

In love and service,

Aegeon & Miriam
Baron & Baroness of Unser Hafen

Chatelain's Corner

Greetings from Yngve your humble Chatelain,

This last month has been pretty much business as usual. We have had a few contacts from newcomers and I have passed them along to the people handling activities they were interested in. I did have a brief conversation

with Sir Alexander and it helped me look at Green Company a new way. I have started writing quests (for lack of a better name right now) which is basically a check list of accomplishments and goals from many different activities such as Arts and Sciences, our various types of Combat, Archery etc. As the newcomers of Green Company accomplish these milestones, they will end up with medals or tassels upon their favors or some as-yet-undetermined tokens to mark their accomplishments. I wish to start meeting with people in different activities to get their input on the best milestones for these quests. I also started collecting the equipment I need for what may be my biggest newcomer project yet of which I plan to share with everyone....next month.

In service as always
Yngve
