**Transition of SCA Inc. Registration Systems (SCARS)**

With a transition in software platforms, the current event registration system is being phased out by 1 December 2022 and replaced in early 2023. My office is working with all Kingdoms using the system to ensure that event registrations using that system have been properly recorded and transferred to Kingdom accounts.

For events to be held after December 3, 2022, Kingdoms currently approved for PayPal use, may request a variance to use PayPal as an alternate method to accept credit cards for registration payments for the remainder of the registration period. All Kingdom Seneschals and Exchequers have been advised of the conditions for these type of variances.

Kingdoms not approved to use PayPal will need to accept checks/money orders (mail in) for early registrations.

We look forward to bringing you an updated registration system during the first quarter of 2023 and thank you for your patience during the transition period. My thanks in particular to all Kingdom Exchequers and their reeves for their tireless efforts.

**Words from the Majesties - 11/5/2022 (Abbreviated)**

We look forward to a season of celebration and revelry. We have had excellent success in our war-like endeavors and as such we should enjoy these times of Peace, but always...always prepare for War!

With this in mind I'd hope to see all our SCA communities prepare for this. Archery, Fencing, A and S, equestrian and service are all areas that deserve our attention. Certainly I love armored combat but I understand that this alone does not make our Kingdom whole.

It will take all of us to work together. It will take all of us setting aside petty arguments. It will take all of us to make the Greatest Kingdom the Known World has ever seen even better than we are now.

War of the Phoenix is on the horizon. So let's ready ourselves. Their Royal Highness's will need our spears, swords, and arrows. Let's be ready for their call and continue to be the best we can.

**Fall Crown 2022 Final**

Congratulations to Their Royal Highnesses Bardolf and Sabiha, Crown Prince and Princess of the Outlands!

**Spring A&S Tournament, seeking bids due by January 15**

The kingdom is seeking event bids for the Kingdom Arts and Sciences Tournament to be held April 1, 2023. You supply the site and gate and the Kingdom Arts and Sciences Minister will take care of all competition requirements such as running the competition and registering entrants and judges.
